Prices on the Sinclair Health Clinic Community Pharmacy Formulary are subject to change at any time. Also, medications may be added or deleted at any time. Medications are subject to availability by our wholesaler(s). Generic medications from different manufacturers do not always look the same, therefore, from month to month your medication(s) may look different. We do our best to ensure all medications on this formulary are in stock. Due to limited pharmacist hours, prescriptions may not always be filled on the same day.
